CAPriCORN, a patient-centered outcomes and research network, is a partnership between healthcare and research institutions, patients, patient advocates, clinicians, community-based organizations (CBOs) and non-profits committed to enabling and delivering patient centered clinical research.

Who is in the network?

Ann & Robert H. Lurie Children's Hospital of Chicago

AllianceChicago — Innovating for better health

Department of Veterans Affairs

RUSH UNIVERSITY MEDICAL CENTER

COOK COUNTY HEALTH

LOYOLA MEDICINE

NORTHWESTERN UNIVERSITY

NorthShore University HealthSystem

UNIVERSITY OF ILLINOIS Hospital & Health Sciences System — Changing medicine. For good.

THE UNIVERSITY OF CHICAGO — UChicago Medicine

The network of data-sharing institutions is expanding in 2022.

The network has continuously grown since its founding in 2013 and currently includes...

| 12.8 million Patient Population | 32 Hosptials | 5 Children's Hosptials | 20 Federally Qualified Health Centers/ Community Health Center Sites | 392 Primary Care Clinics | 733 Outpatient Specialty or Surgical Clinics |

Our data and infrastructure support researchers investigating a wide variety of topic areas.

From providing letters of support to initiating data queries for a diversity of topics (at right), CAPriCORN supports projects from start to finish.

CAPriCORN Queries Initiated from 2018 - 2021

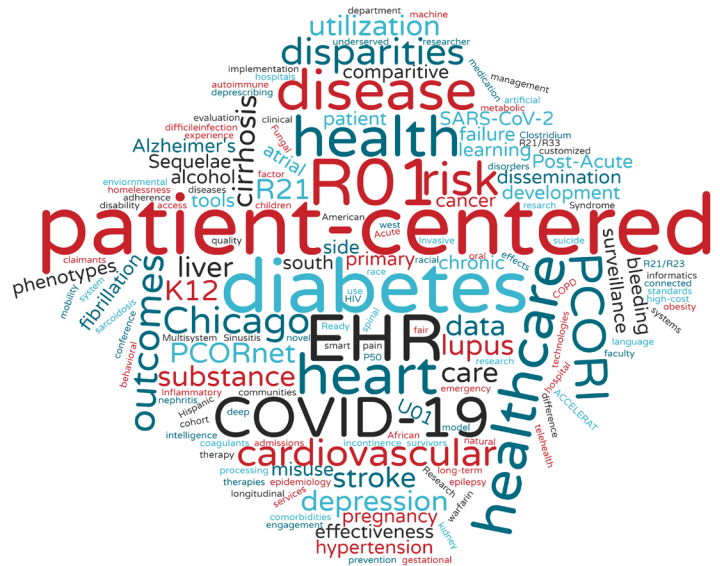

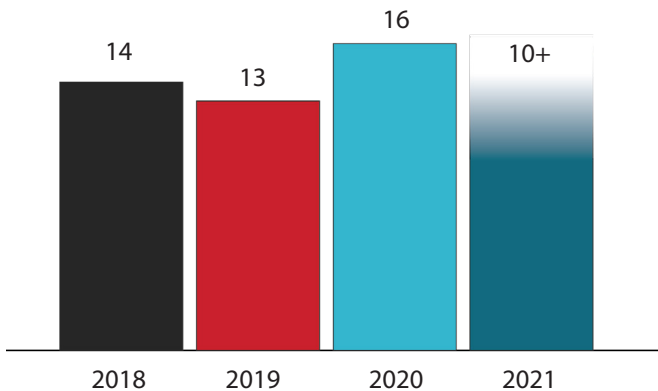

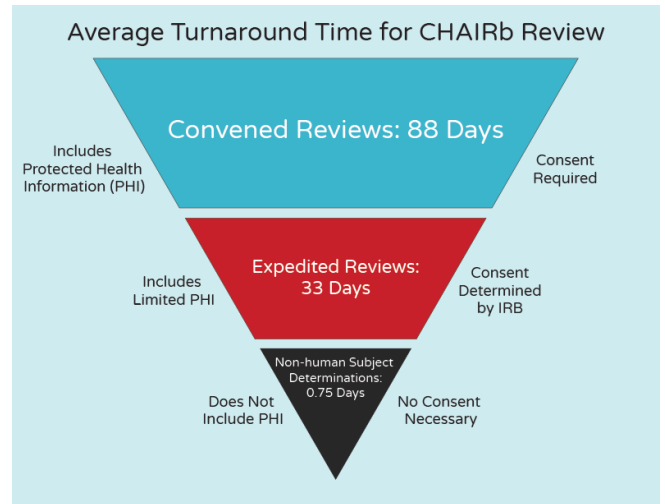

2018: 14
2019: 13
2020: 16
2021: 10+

CAPriCORN

CAPriCORN offers a centralized review board, the Chicago Area Institutional Review Board (CHAIRb) to streamline the initiation of multi-site studies.

324
CHAIRb Reviews

7 initial reviews, 26 convened IRB reviews, 236 amendment reviews, 48 continuing reviews, 3 prompt reports, 4 final reports

Average Turnaround Time for CHAIRb Review

Convened Reviews: 88 Days

Includes Protected Health Information (PHI)

Consent Required

Expedited Reviews: 33 Days

Includes Limited PHI

Consent Determined by IRB

Non-human Subject Determinations: 0.75 Days

Does Not Include PHI

No Consent Necessary

The Patient Community Advisory Committee (PCAC) guides leadership decisions and priority areas.

13 PCAC members act as the central hub of patient and clinician engagement.

We support the next generation of learning health systems leaders.

8
ACCELERAT Scholars

26 ACCELERAT scholar publications have been supported by CAPriCORN data and infrastructure.

$130M+
In awarded grant funding

~$50K
Supporting PCAC activities

CAPriCORN sites have contributed to 28 funded grants.

Professional Society (3)

Career Development (6)

Federal (19)
